Independent Auditor's Report

The Board of Trustees Tennessee Baptist Children's Homes, Inc. and Subsidiary Brentwood, Tennessee

Opinion

We have audited the accompanying consolidated financial statements of Tennessee Baptist Children's Homes, Inc. and Subsidiary, which comprise the consolidated statement of financial position as of October 31, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Tennessee Baptist Children's Homes, Inc. and Subsidiary as of October 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Tennessee Baptist Children's Homes, Inc. and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of Tennessee Baptist Children's Homes, Inc. and Subsidiary as of October 31, 2022 were audited by other auditors whose report dated April 6, 2023 expressed an unmodified opinion on those statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tennessee Baptist Children's Homes, Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Tennessee Baptist Children's Homes, Inc. and Subsidiary's
 internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the
 aggregate, that raise substantial doubt about Tennessee Baptist Children's Homes, Inc. and
 Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. NATURE OF ORGANIZATION:

The Tennessee Baptist Children's Homes, Inc. (TBCH), is an institution of the Tennessee Baptist Convention that provides free Christ-centered, nurturing homes for children in hard places across Tennessee.

TBCH's Residential Care program provides on-campus Christ-centered homes for children who are not in state custody and whose families cannot provide the care they need. Christian couples serve as house parents in these family-style homes for up to eight resident children, providing a safe environment in which children can thrive and be guided by biblical principles and direction.

Through TBCH's George Shinn Foster Care Program, the Children's Homes partners with Tennessee's Department of Children's Services to provided certified foster families and quality case management for children in state custody. TBCH provides these services at no cost to the State so that evangelical Christian couples may be carefully selected by TBCH to serve as foster parents. This allows children placed in these homes to be cared for physically as well as spiritually. This program includes training, support, direction, and advocacy for these homes by qualified and dedicated TBCH Foster Care Case Managers.

TBCH's Family Care program seeks to work with churches and other organizations to create a network of local resources in communities across the state. By connecting families to counseling services, parenting training, and other church ministries, this program changes the trajectory of families in need of these resources for the

TBCH's primary sources of support is contributions from churches (both directly and through the Cooperative Program of the Tennessee Baptist Convention). TBCH has received a determination letter that it is generally exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code (Code) and comparable state law and is classified as a publicly supported organization, which is not a private foundation, under section 509(a)(1) of the Code. However, income from certain activities not directly related to TBCH's tax-exempt purpose is subject to taxation as unrelated business income. TBCH has concluded that it does not have any unrecognized tax benefits resulting from current or prior period tax positions. Accordingly, no additional disclosures have been made on the financial statements regarding the *Income Tax* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). TBCH does not have any outstanding interest or penalties, and none have been recorded in the statement of activities for the years ended October 31, 2023 and 2022.

Effective February 2022, TBCH established 1911 Corporation (1911), a for-profit domestic corporation, to support the developing of the TBCH Brentwood campus. 1911 issued 1,000 common shares, all of which are held by TBCH. 1911 has been consolidated in the accompanying consolidated financial statements.

In February 2023, 1911 Corporation and its joint venture partner formed Eastman's Preserve, a Tennessee general partnership whose purpose is to purchase, own, develop, manage and sell certain property. 1911 owns 1% of its partnership interest, however is entitled to 50% of the partnership cash distributions and accounts for the investment using the equity method of accounting. See Note 5.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the operations of TBCH and 1911, hereinafter referred to as TBCH. All significant intercompany transactions and balances have been eliminated from the consolidated financial statements.

ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand and deposits in banks. Cash equivalents also include, when applicable, short-term highly liquid debt securities that are both readily convertible to cash and have an original maturity of three months or less. TBCH maintains cash and cash equivalents in financial institutions which may, at times, exceed federally insured or protected limits. Deposits in excess of federally insured and protected limits were \$265,283 and \$4,625,401 at October 31, 2023 and 2022, respectively. TBCH has not experienced any losses on such accounts.

ACCOUNTS RECEIVABLE

Accounts receivable includes accrued interest income as well as outstanding Cooperative Program distributions from the Tennessee Baptist Convention, of which TBCH has an unconditional right to receive. Based upon past experience, management believes that all accounts receivable are fully collectible. Therefore, no allowance for doubtful accounts is recorded in the accompanying financial statements.

INVESTMENTS

Investments in stocks, mutual funds, and certificates of deposit are stated at fair value based upon quoted market prices. Other investments include insurance policies carried at cash surrender value. Donated investments are recorded at market value at the date of donation and thereafter carried in conformity with the stated policy.

Interest and dividend income and the realized and unrealized gain or loss on investments are reported in the statement of activities as investment income without donor restrictions unless a donor or law restricts its use for a period of time or in perpetuity.

Notes to Consolidated Financial Statements

October 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

PROPERTY, BUILDINGS, AND EQUIPMENT

Property, plant, and equipment are recorded at historical cost. Donated plant assets are recorded at fair market value determined at the date of the gift. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Estimated useful lives range from 5 to 40 years. TBCH capitalizes all purchases with a cost greater than \$5,000 and an expected useful life greater than one year.

BENEFICIAL INTEREST IN TRUSTS HELD BY TRUSTEES

Beneficial interest in trusts represent funds held and administered by trustees in accordance with the terms of various trust instruments and include both residual and perpetual trusts. Residual trusts are structured to pay a remainder corpus amount in the future. Perpetual trusts are structured to pay ongoing income in the form of annual distributions, which are recorded as income from beneficial interest in trusts on the statements of activities.

CLASSES OF NET ASSETS

The financial statements report amounts separately by class of net assets:

Net assets without donor restrictions are not subject to donor-imposed stipulations, may be designated for specific purposes by action of TBCH's board of trustees, may otherwise be limited by contractual agreements with outside parties, or invested in property and equipment.

Net assets with donor restrictions are stipulated by donors for specific operating purposes or the acquisition of property and equipment, are time-restricted, or are required by donors to be held in perpetuity with investment return used for operations and other restricted purposes.

REVENUES, EXPENSES, AND RECLASSIFICATIONS

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to TBCH. Conditional promises to give with a measurable performance or other barrier and a right of return are not recognized until the conditions on which they depend have been met.

TBCH reports gifts of cash and other assets as restricted revenue if they are received with donor stipulations that limit the use of the donated assets. When a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. All contributions are considered to be available for use without donor restrictions unless specifically restricted by the donor.

Notes to Consolidated Financial Statements

October 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

REVENUES, EXPENSES, AND RECLASSIFICATIONS, continued

TBCH reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash and other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how those long-lived assets must be maintained, TBCH reports expirations of donor restrictions when donated or acquired assets have been placed in service.

Contributions of non-financial assets are recognized at fair value at the date of the gift. Valuation techniques

Non-financial contributions category	Valuation
Labor	Cost charged to a customer for the service provided in a normal transaction
Tuition	Tuition rate for the same level of student at the educational institution providing the service
Office space	Similar properties avaliable in commercial real estate listings
Food and produce	\$20 per plastic bag and \$30 per paper bag
Household goods, clothing, and supplies	Retail prices of identical or similar products or a reduced rate if the item is used
Property, buildiing, and equipment	Standard industry pricing for similar or identical assets
Other	Standard industry pricing for similar or identical products

Notes to Consolidated Financial Statements

October 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

REVENUES, EXPENSES, AND RECLASSIFICATIONS, continued

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The costs of providing the various program services and supporting activities are summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. Salaries, benefits and payroll taxes are allocated to the functions where time and effort are expended. Depreciation and other facility-related expenses are allocated based upon an analysis of usage of space. All other natural classifications presented in the statements of functional expenses are allocated based upon an analysis of the specific activities.

OPERATING AND NONOPERATING ACTIVITIES

The statements of activities presents the changes in net assets of TBCH from both operating activities and nonoperating activities. Operating revenues and expenses relate primarily to program services provided by TBCH. The portion of investment return appropriated for operations on long-term investments held for endowments and similar purposes under TBCH's total return spending policy is considered operating revenue. Activity with donor restrictions is not considered to be operating.

Nonoperating activities consist primarily of (a) other components of net periodic post-retirement costs, (b) post-retirement related changes other than net periodic post-retirement costs, (c) contributions of beneficial interest in trusts, and (d) the change in value of beneficial interest in trusts.

RECENTLY ADOPTED ACCOUNTING STANDARDS

In September 2020, the FASB issued Accounting Standards Update (ASU) No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. TBCH adopted the provisions of the new standard during the year ended October 31, 2022. The standard requires nonprofits to present contributed nonfinancial assets as a separate line item in the consolidated statements of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of the standard did not have a significant impact on the consolidated financial statements, with the exception of increased disclosure.

3. <u>LIQUIDITY AND AVAILABILITY OF RESOURCES:</u>

The following reflects TBCH's financial assets as of October 31, 2023 and 2022, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date. TBCH considers general expenditures to include all expenditures relating to its ongoing program activities relating to residential, family, and foster care. Financial assets are considered unavailable when they are not liquid or convertible to cash within one year.

TBCH is also the beneficiary of various perpetual trusts created by donors, the assets of which are not in TBCH's possession. TBCH has legally enforceable rights or claims to the annual distributions from these assets, which are recorded as income from beneficial interests in trusts on the statement of activities. TBCH has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

6. NOTE RECEIVABLE

In February 2023, TBCH obtained a note receivable in the amount of \$4,000,000 in connection with the sale of certain property. The note receivable is non-interest bearing and is due in installments of \$160,000 as plots of the property are sold by the purchaser, Eastman's Preserve. Management of TBCH currently expects collection of the note receivable in full within one year of the opinion date. The note receivable is secured by the property.

9. EMPLOYEE BENEFITS:

DEFINED BENEFIT PLAN

TBCH provides retirement severance benefits to all retiring employees. In addition, TBCH provides post-retirement health care and term life insurance benefits to certain retired TBCH employees. These benefits will not be extended to current or future employees. In calculating the various components of the requirements, TBCH has assumed most employees will retire at age sixty-five. Life expectancies for each employee, as well as expected actual cost of premiums, were projected by the insurance provider. TBCH is financing the post-retirement benefits on a pay-as-you-go basis.

A summary of the post-retirement benefit obligation associated with TBCH's defined benefit plan is as follows:

	 October 31,				
	 2023	2022			
Inactive retired participants Active fully eligible participants Other active participants	\$ 326,904 104,660 206,216	\$	358,189 68,416 202,966

RETIREMENT PLAN

TBCH participates in the retirement program of GuideStone Financial Resources. The plan is a defined contribution plan covering all full-time employees who have completed three years of paid denominational service. TBCH makes contributions to the plan on behalf of eligible employees in amounts equal to 12% of each employee's base salary. According to the plan's provisions, employees may also make certain contributions to the plan. All contributions made to the plan are immediately fully vested to the covered employees. Under the plan, the value of accumulated benefits is equal to the value of the assets. There is no unfunded value of accrued plan benefits. Retirement expense totaled \$280,285 and \$282,385 during the years ended October 31, 2023 and 2022, respectively.

DEFERRED COMPENSATION PLAN

TBCH has a non-elective deferred compensation plan to provide benefits payable to certain management employees at specific future dates, upon termination, retirement, death or disability. Total expense was \$45,078 and \$42,487 during the years ended October 31, 2023 and 2022, respectively. The related liability is included in accrued expenses and other liabilities on the statements of financial position.

11. ENDOWMENT FUNDS:

TBCH's endowment consists of individual funds established for a variety of purposes and includes donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of trustees of TBCH has interpreted the State of Tennessee's Uniform Prudent Management of Institutional Funds Act (SUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, TBCH classifies as net assets with donor restrictions in perpetuity (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions in perpetuity is classified as net assets with donor restrictions by purpose or time until those amounts are appropriated for expenditure by TBCH in a manner consistent with the standard of prudence prescribed by SUPMIFA.

In accordance with SUPMIFA, TBCH considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The purposes of TBCH and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of TBCH
- 7. The investment policies of TBCH

Return objectives and risk parameters:

TBCH's investment and spending policies for endowment assets attempt to provide a stream of funding for its programs. Endowment assets include those assets of donor-restricted funds that TBCH must hold in perpetuity. Under this policy, as approved by the board of trustees, the endowment assets are invested with the goals of high current return and preservation of capital. TBCH expects its endowment funds to provide the maximum attainable current yield while assuming a minimum level of investment risk.

Funds with deficiencies:

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SUPMIFA requires TBCH to retain as a fund of perpetual duration. There were no such individual donor-restricted endowment funds whose value fell below the level that the donor or SUPMIFA required as of October 31, 2023. As of October 31, 2022, deficiencies of this nature existed in 47 funds, which together had an original gift value of \$4,788,062 a fair value of \$4,665,954 and a deficiency of \$122,108. The deficiencies resulted from unfavorable market conditions.

Notes to Consolidated Financial Statements

11. ENDOWMENT FUNDS, continued:

Strategies employed for achieving objectives:

To satisfy its objectives, TBCH relies on a strategy in which investment returns are achieved through current yield (interest and dividends). TBCH does not invest in companies or industries whose known products, services, or practices are contrary to the beliefs or practices of Southern Baptists.

Spending policies and how the investment objectives relate to spending policy:

TBCH has a practice of appropriating the current earnings for distribution annually. In establishing this practice TBCH considered the critical need for annual income as well as the existence of non-endowment investments. This is consistent with TBCH objectives of achieving high current return and preservation of capital.

12. FAIR VALUE MEASUREMENTS:

The Fair Value Measurements and Disclosure topic of the FASB ASC establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. TBCH uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, TBCH measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Fair values of assets measured on a recurring basis as of October 30, 2023 and 2022, are as follows:

	Fair Value Measurements at October 31, 2023							
		Level 1		Level 2		Level 3		Total

Methods and assumptions used by TBCH in estimating fair values are as follows:

Mutual funds, certificates of deposit, and stocks—The fair value of these financial instruments is based upon quoted market prices or dealer quotes in an active market.

Interest in pooled funds of the Southern Baptist Foundation—The fair value of these financial instruments is based upon TBCH's per share interest in the pooled fund as reported by the Southern Baptist Foundation. TBCH is able to redeem its investment in the pool at the reporting date.

Beneficial interest in trusts held by trustees—The fair value of beneficial interest in trusts held by others is based on the value of the TBCH's proportional share of the overall assets held by the other organizations.

Changes in valuation techniques – None.

13. RELATED PARTY DISCLOSURE:

Tennessee Baptist Convention (Convention): The Convention is comprised of messengers from cooperating churches seeking to minister together for the purpose of carrying out the Great Commission. Tennessee Baptists, acting in Convention in 1894, by unanimous action, made TBCH an institution of the Convention, thereby committing the Convention to ministering to children. Since making this commitment, Tennessee Baptists have provided prayer support and financial resources to support TBCH in meeting the growing needs of children and families in crisis through Residential Care, Foster Care, Family Care, and adoption related services. The entities have entered into a covenant, committing to each other their mutual goals, aspirations, and desire to spread the gospel of Christ throughout Tennessee, North America, and the world.

The Convention supports TBCH through the Cooperative Program. TBCH relates to the Convention through the Tennessee Baptist Mission Board's Partner Ministries Committee, or its successor committee. TBCH supports the ministries of the Convention through promotion of Cooperative Program and through participation in those ministries. TBCH commits to the process of trustee selection established by the Convention.

TBCH is an autonomous nonprofit corporation, neither owned nor operated by the Convention. Governance of TBCH is vested in its board of trust in all matters.

Notes to Consolidated Financial Statements

13. RELATED PARTY DISCLOSURE, continued:

TBCH received from the Tennessee Baptist Mission Board \$2,808,223 and \$2,758,202 in Cooperative Program and contributions for TBCH for the years ended October 31, 2023 and 2022, respectively.

The Tennessee Baptist Foundation, an institution of the Convention, serves as trustee of funds and trusts in which TBCH has beneficial interests, as disclosed in Note 8.

TBCH received from the Tennessee Baptist Foundation \$436,414 and \$405,790 in income from trusts for the years ended October 31, 2023 and 2022, respectively.

14. COMMITMENTS AND CONTINGENCIES:

TBCH is licensed by the Tennessee Department of Children's Services (DCS) as a Residential Child Caring Agency and a Child-Placing Agency. Compliance, as evidenced by annual inspections, with Tennessee's legislative regulations is required for annual licensing renewal. TBCH also provides foster care services. The primary focus of TBCH's George Shinn Foster Care Program is a contract with DCS under which TBCH provides services to foster families and to the state-custody foster children in their care. TBCH does not receive compensation from the DCS for the services provided and the DCS makes foster care stipend payments directly to the foster families.

15. CONTRIBUTIONS OF NON-FINANCIAL ASSETS

Contributions of non-financial assets included in the consolidated financial statements were as follows:

	Year Ended October 31,			
	 2023		2022
